4. The Alternate Payee's interest in the Plan shall be _____ of the Participant's total vested account balance under the Plan as of the valuation date.
5. The Alternate Payee's interest in the Plan shall be payable to the Alternate Payee in a lump sum. The Alternate Payee must initiate the distribution in accordance with the terms of the Plan and the administrative procedures that have been established by the Plan Administrator. The amount distributed to the Alternate Payee will be the value of the Alternate Payee's account on the date the distribution is processed.
6. The Alternate Payee does not have the right to name a beneficiary. In the event that the Alternate Payee dies after the Order has been qualified, either prior to or subsequent to the segregation of assets for the Alternate Payee, the Alternate Payee's award will be distributed to the Alternate Payee's estate.
7. The Alternate Payee's award is entitled to earnings (dividends, interest, gain and losses) from the valuation date to the date the award is segregated from the Participant's account(s).
8. In the event that there is an outstanding loan balance as of the valuation date, the loan balance will not be included for purposes of calculating the account balance to be divided. The Alternate Payee's award will be paid from the non-loan assets in the Participant's account(s) on the date that the award is segregated from the Participant's account(s).
9. The Parties shall cause an original court certified or true copy of this Order to be served on the Plan Administrator's agent, Fidelity Investments Institutional Operations Company, Inc., forthwith. This Order shall remain in effect until further order of this Court.
10. Nothing contained in the Order shall be construed to require any Plan or Plan Administrator:
- (a) to provide to the Alternate Payee any type or form of benefit or option not otherwise available to the Participant under the Plan;
 - (b) to provide the Alternate Payee increased benefits (determined on the basis of actuarial value) not available to the Participant; or
 - (c) to pay any benefits to the Alternate Payee that is required to be paid to another Alternate Payee under another Order, which has been determined to be a QDRO, before this Order is determined to be a QDRO.
